Re: Notice of Violation
EPA ID No.: ILD 984 782 169

Dear Mr. Patel:

On January 13, 2015 a representative of the U.S. Environmental Protection Agency inspected the Mega Circuit, Inc. (Mega Circuit) facility, located in Addison, Illinois. In response to violations of the Illinois Administrative Code (IAC) and the Code of Federal Regulations (CFR) identified during the inspection, EPA issued a Notice of Violation (NOV) on February 20, 2015. Subsequent to EPA's inspection, Mega Circuit submitted information dated January 20, 2015. Subsequent to EPA's NOV, Mega Circuit submitted additional information dated March 17, 2015.

This letter is to inform you that EPA has reviewed Mega Circuit's responses and determined that no further enforcement action will be taken at this time. This determination does not limit the applicability of the requirements evaluated, or of other federal or state statutes or regulations. Thank you for your cooperation.

If you have any questions or concerns regarding this matter, please contact Sheila Burrus, of my staff, at (312) 886-3587.

Sincerely,
